# Wiring diagrams

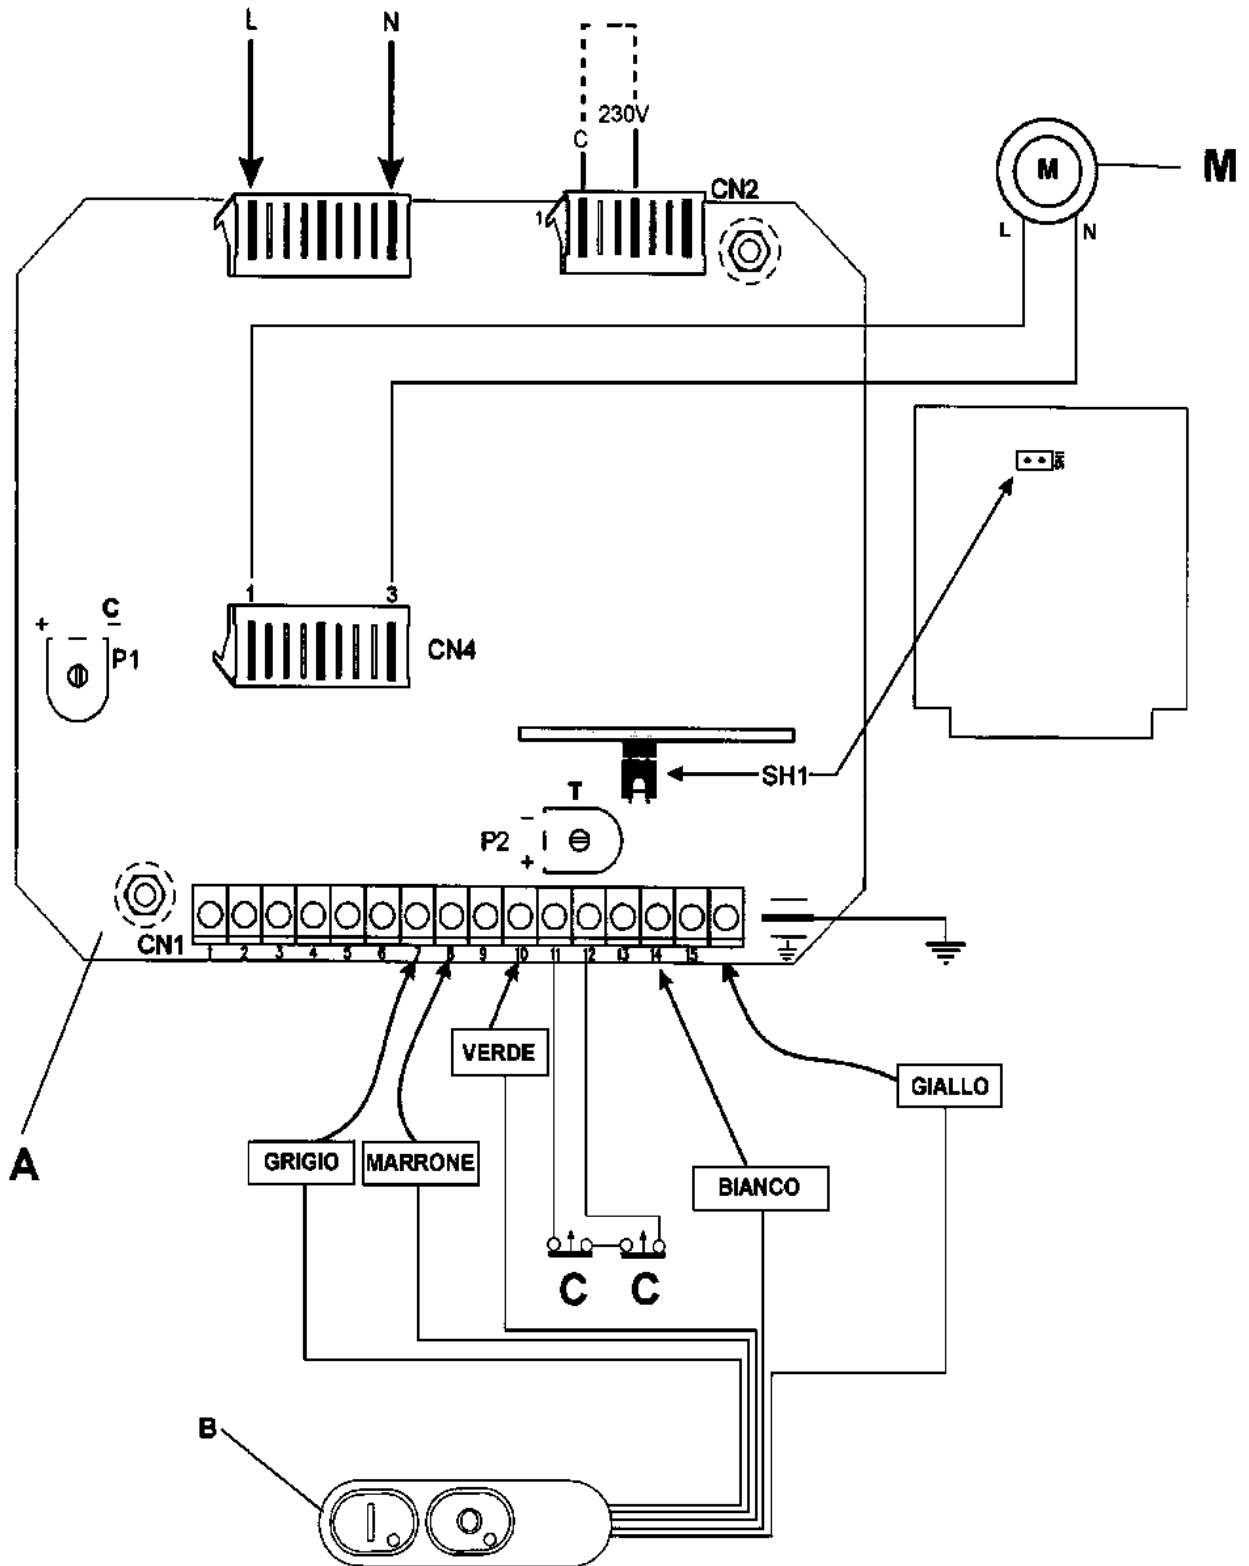

## 1 Three-phases wiring diagram at 400V

Key

- A = self-braking motor card
- B = star-stop button
- C = safety microswitch
- M = motor
- L1, L2, L3 = three-phase line

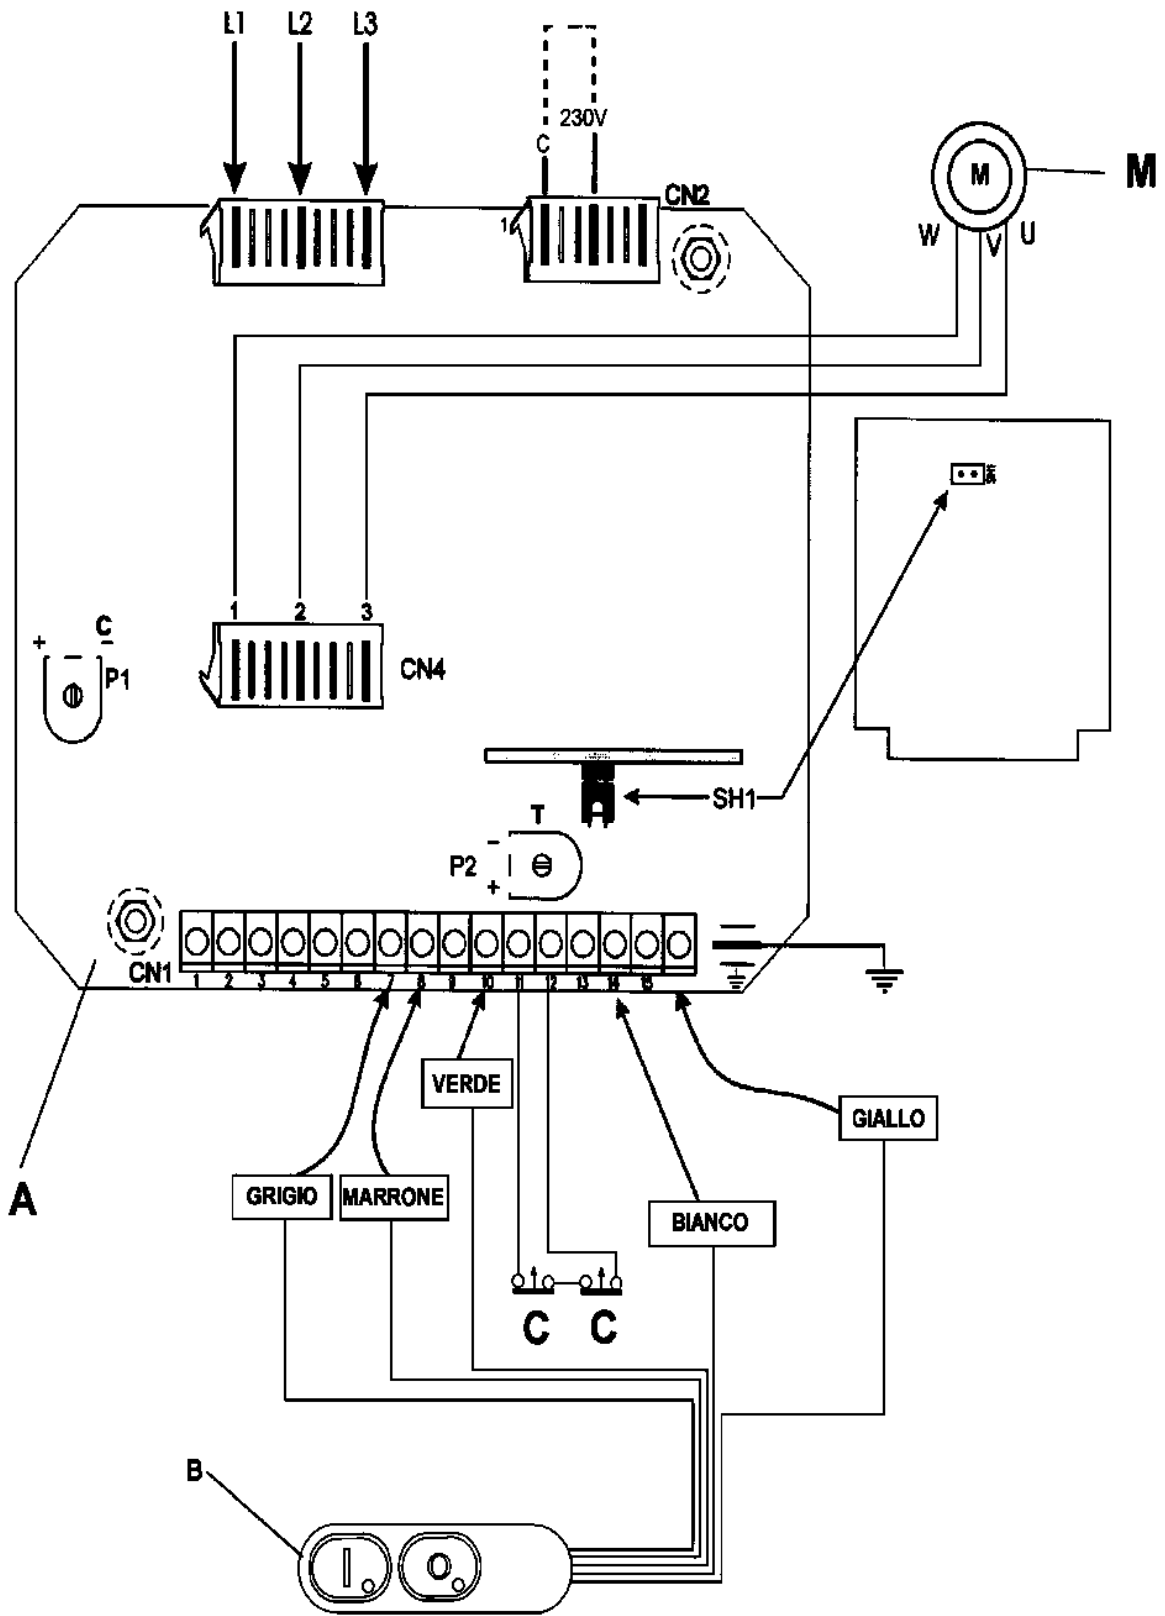

## 2 Single-phase wiring diagram at 230V

### Key

- A = self-braking motor card
- B = star-stop button
- C = safety microswitch
- M = motor
- L, N = single-phase line

### 3 Three-phases wiring diagram at 230 V

*Key*

- A = card of self-braking motor
- B = star-stop button
- C = safety microswitch
- M = motor
- L1, L2, L3 = three-phase line
