N°: TECB-08-12-15\_RO

Date : 09/12/2015

Diamond model considered : FSM-16E/N

Serial number from : 201410xxxxx

to : 201509xxxxx

Production period : October 2014

to : September 2015

**Problem** : Leakage risk

**Technical solution suggested** : Add a silicon gasket

**Action (what-when)** : Since October 2015 we have add a silicon gasket around the capillary clamp press

**Defective spare parts codes** : nothing

**New replacing spare parts codes** : added of high temperature silicone
