The worktop is in 1.5 mm AISI 304 stainless steel with moulded edges for liquid collection. The moulded tanks are in AISI 316 anti-corrosion stainless steel, with rounded corners for easy cleaning. The optional pasta baskets are in AISI 304 18/10 stainless steel with thermal handle. Gas versions: stainless steel burner with self-stabilizing flame. Thermocouple safety device connected to the pilot flame. Piezo-electric burner ignition. Electric versions: electric heating elements in armoured stainless steel; power adjustment with four position switch; control of the temperature with operating and safety thermostat.
