

Machine	Explode	Code	Description
Polar G-Series Multideck Display Fridge with Door	1	AD620	Braked Castors
Polar G-Series Multideck Display Fridge with Door	3		Standard Castors
Polar G-Series Multideck Display Fridge with Door	2		Base Stiffener
Polar G-Series Multideck Display Fridge with Door	4		Base Plate
Polar G-Series Multideck Display Fridge with Door	5		Bottom Evaporating Box
Polar G-Series Multideck Display Fridge with Door	6	AW214	Compressor (R290)
Polar G-Series Multideck Display Fridge with Door	7		Upper Evaporating Box
Polar G-Series Multideck Display Fridge with Door	8		Base Rear Cover
Polar G-Series Multideck Display Fridge with Door	9	AW215	Heater
Polar G-Series Multideck Display Fridge with Door	10		High Pressure Evaporation Tube Connection
Polar G-Series Multideck Display Fridge with Door	12		Condenser Connection
Polar G-Series Multideck Display Fridge with Door	13	AW217	Shelf Bracket Left
Polar G-Series Multideck Display Fridge with Door	71	AW217	Shelf Bracket Right
Polar G-Series Multideck Display Fridge with Door	14	AW218	Glass Shelf
Polar G-Series Multideck Display Fridge with Door	15		Back Bracket Of Shelf
Polar G-Series Multideck Display Fridge with Door	16		Evaporator Connection Tube 2
Polar G-Series Multideck Display Fridge with Door	17	AW219	Evaporator
Polar G-Series Multideck Display Fridge with Door	18		Evaporator Connection Tube 1
Polar G-Series Multideck Display Fridge with Door	19		Left Panel
Polar G-Series Multideck Display Fridge with Door	20		Right Gutter
Polar G-Series Multideck Display Fridge with Door	21		Bottom Board Of Cabinet
Polar G-Series Multideck Display Fridge with Door	22		Left-Bottom Insulation Foam
Polar G-Series Multideck Display Fridge with Door	23	AL851	Nut Decoration
Polar G-Series Multideck Display Fridge with Door	24	AL850	Nut Gasket
Polar G-Series Multideck Display Fridge with Door	25	AL849	Decoration Nut Gasket
Polar G-Series Multideck Display Fridge with Door	26	AW220	Door Handle
Polar G-Series Multideck Display Fridge with Door	27	AW221	Left Glass
Polar G-Series Multideck Display Fridge with Door	28		Left Pole For Shelf
Polar G-Series Multideck Display Fridge with Door	29		Left-Middle Insulation Foam
Polar G-Series Multideck Display Fridge with Door	30		Body
Polar G-Series Multideck Display Fridge with Door	31		Condenser Bracket
Polar G-Series Multideck Display Fridge with Door	32		Left-Top Insulation Foam
Polar G-Series Multideck Display Fridge with Door	33		Left Baffle Of Air Outlet Foam
Polar G-Series Multideck Display Fridge with Door	34		Top Baffle
Polar G-Series Multideck Display Fridge with Door	35	AD636	Dry Filter
Polar G-Series Multideck Display Fridge with Door	36		Filter Dryer Connecting Tube
Polar G-Series Multideck Display Fridge with Door	37	AL983	Condenser
Polar G-Series Multideck Display Fridge with Door	38		Back Condenser Cover
Polar G-Series Multideck Display Fridge with Door	39		Cellular Board
Polar G-Series Multideck Display Fridge with Door	40		Vent Foam
Polar G-Series Multideck Display Fridge with Door	41		Front Panel Of Top Cover
Polar G-Series Multideck Display Fridge with Door	42		Top Cover Of Interior Roof

Machine	Explode	Code	Description
Polar G-Series Multideck Display Fridge with Door	43		Insulation Foam Of Interior Roof
Polar G-Series Multideck Display Fridge with Door	44		Interior Roof
Polar G-Series Multideck Display Fridge with Door	45		Baffle Of Air Outlet Foam
Polar G-Series Multideck Display Fridge with Door	46		Right Baffle Of Air Outlet Foam
Polar G-Series Multideck Display Fridge with Door	47	AW222	Top Hinge
Polar G-Series Multideck Display Fridge with Door	48		Right Pole For Shelf
Polar G-Series Multideck Display Fridge with Door	49		Stainless Iron Bar
Polar G-Series Multideck Display Fridge with Door	50		Right-Top Insulation Foam
Polar G-Series Multideck Display Fridge with Door	51		Door Shaft
Polar G-Series Multideck Display Fridge with Door	52		Right-Middle Insulation Foam
Polar G-Series Multideck Display Fridge with Door	53	AW223	Right Glass
Polar G-Series Multideck Display Fridge with Door	54		Right-Bottom Insulation Foam
Polar G-Series Multideck Display Fridge with Door	55	AW224	Glass Door
Polar G-Series Multideck Display Fridge with Door	56	AF956	Magnet
Polar G-Series Multideck Display Fridge with Door	57		Bottom Baffle
Polar G-Series Multideck Display Fridge with Door	58		Right Plastic Gutter
Polar G-Series Multideck Display Fridge with Door	59		Ventilated Board
Polar G-Series Multideck Display Fridge with Door	60		Right Panel
Polar G-Series Multideck Display Fridge with Door	61		Stiffener
Polar G-Series Multideck Display Fridge with Door	62		Protector Of Air Inlet
Polar G-Series Multideck Display Fridge with Door	63		Cover Of Air Inlet
Polar G-Series Multideck Display Fridge with Door	64		Bottom Latch
Polar G-Series Multideck Display Fridge with Door	65		Front-Upper Panel
Polar G-Series Multideck Display Fridge with Door	66	AW225	Digital Controller
Polar G-Series Multideck Display Fridge with Door	67		Cover Of Evaporator
Polar G-Series Multideck Display Fridge with Door	68		Motor Fixing Plate
Polar G-Series Multideck Display Fridge with Door	69	AS397	Evaporator Motor
Polar G-Series Multideck Display Fridge with Door	70		Bottom Of Air Inlet
Polar G-Series Multideck Display Fridge with Door	72		Price Tag Holder
Polar G-Series Multideck Display Fridge with Door	73	AW226	LED Light
Polar G-Series Multideck Display Fridge with Door	74		Water Box Support
Polar G-Series Multideck Display Fridge with Door	75		Motor Fixing Plate
Polar G-Series Multideck Display Fridge with Door	76	AW227	Condenser Fan Blade
Polar G-Series Multideck Display Fridge with Door	78		Condenser Motor
Polar G-Series Multideck Display Fridge with Door	77		230 Flange
Polar G-Series Multideck Display Fridge with Door	79		Front-Lower Panel
Polar G-Series Multideck Display Fridge with Door	80		UK Power Cord
Polar G-Series Multideck Display Fridge with Door	80		EU Power Cord
Polar G-Series Multideck Display Fridge with Door	81		Wire Clip Cover
Polar G-Series Multideck Display Fridge with Door	82		Wire Clip Holder
Polar G-Series Multideck Display Fridge with Door	83		Connecting Box Cover
Polar G-Series Multideck Display Fridge with Door	84		Binding Post
Polar G-Series Multideck Display Fridge with Door	85	AT252	Connecting Box
Polar G-Series Multideck Display Fridge with Door	86		Drain Pipe Joint

Machine	Explode	Code	Description
Polar G-Series Multideck Display Fridge with Door	87	AT972	Nut
Polar G-Series Multideck Display Fridge with Door	88	AW228	Drain Pipe
Polar G-Series Multideck Display Fridge with Door	89	AD630	Door Handle
